### WHY SUPPORT THE ANDALUSIA FOUNDATION?

In 1980, The Andalusia Foundation was founded in order to maintain and preserve this National Historic Landmark for the benefit of the public. To that end, The Andalusia Foundation has the responsibility to protect and interpret its property, buildings and contents. Through its membership, educational programs, tours, and university work/study programs, the Andalusia Foundation is able to stay true to Nicholas Biddle's 19th century vision and our mission of a public house museum and garden that is an integral part of American history.
