About the Cabaret

Held annually since 1993, this iconic black-tie event includes an evening of cocktails, gourmet dining, and musical entertainment against the backdrop of Andalusia's beautiful gardens, historic mansion, and extraordinary location along the Delaware River.

The Cabaret welcomes over 120 guests each year, with tickets starting at \$700. Paired with an exciting live auction that often raises over \$65,000 in additional donations, this event is Andalusia's biggest fundraiser of the year.

Greetings from Andalusia!

As Executive Director of Andalusia, the Cabaret by the River is always a highlight of my year.

This unique event is a special opportunity to get together with passionate supporters of our non-profit mission, who appreciate the value of preserving and interpreting our historic site for public benefit. It also allows me to share Andalusia's recent accomplishments, like new gardens, restored interiors, or rising visitation.

And of course, there's nothing better than a beautiful night along the river, with live music floating through the air and a wonderful meal enjoyed among friends.

I hope you'll join the festivities as a sponsor!

John Vick
Executive Director

Cabaret Performer

Andalusia is excited to welcome Billy Stritch as our musical performer for the 2026 Cabaret!

Stritch created the vocal arrangements for Liza Minelli's record-breaking extravaganza *Liza Stepping Out at Radio City Music Hall*. In addition to his 25-year collaboration as accompanist and opening act for Liza, Billy recently toured with the legendary Tony Bennett as Tony's pianist and musical director.

Billy will bring an added level of expertise to the Cabaret's musical selections - making this a very special year for the iconic event.

Why Support Andalusia?

Since 1980, the non-profit Andalusia Foundation has maintained and preserved this National Historic Landmark for public benefit. It interprets the site's historic buildings, art, and archives through tours and programs, while also managing formal gardens, natural open space, and a collection of over 1,000 trees.

Every year, thousands of visitors to Andalusia discover this stately property, with preserved native woodlands and spectacular gardens that evoke the English romantic landscape tradition. They stroll the picturesque site, take in sweeping views of the Delaware River, and explore the historic 1797 mansion. Help us keep this rare experience vibrant and thriving for generations to come.

Thank You!
