

THE GARDEN PARTY AT ANDALUSIA

Saturday, May 4, 2024, 4:30 to 6:30 pm

(Sponsor champagne reception 4:00 to 4:30 pm)

The Garden Party at Andalusia Historic House, Gardens & Arboretum is a lively and enchanting outdoor event surrounded by lush gardens, riverfront landscapes, and historic architecture.

We invite you to join us as a Garden Party Sponsor for this year's celebration.

We are excited to already have the support of Lead Sponsor WSFS Bank + Bryn Mawr Trust.

This special late afternoon event includes a cocktail reception with time to stroll the expanded gardens, tour the mansion interiors, walk along the banks of the Delaware River, and explore the beautiful arboretum with supporters of this amazing natural environment and historic site.

The Garden Party, now in its seventh year, and with attendance last year of over 200 guests, supports Andalusia's Annual Fund, which serves to maintain, preserve, and interpret this important National Historic Landmark building, its gardens, and natural landscape. Additionally, Andalusia has for decades been a leading advocate for preserving and enhancing its unique riverfront area and surrounding open space. Your support of all this work is critical and very much appreciated.

Garden Party tickets are \$195 per person (or \$100 for young professionals 40 and under). Please see below the number of tickets provided as part of each sponsorship level.

We look forward to another wonderful and successful event, and we appreciate your support.

Please RSVP by Friday, March 8, 2024, to allow enough time for your name or your company's name to be included on the invitation and promotional materials.

Thank you in advance for your interest and consideration.
