# About the Garden Party

Held annually since 2017, this favorite event at Andalusia rings in the spring season with cocktails, passed hors d'oeuvres, musical entertainment, and The Kentucky Derby.

Guests gather to watch the iconic race live on our large video wall, surrounded by Andalusia's beautiful gardens, historic mansion, and extraordinary location along the Delaware River.

The event has grown each year, with over 220 guests attending in 2025.

# Greetings from Andalusia!

As Executive Director of Andalusia, the annual **Garden Party & Kentucky Derby** is a highlight of my year.

This event is a unique opportunity to get together with passionate supporters of our non-profit organization, who appreciate the value of preserving and interpreting the historic Andalusia site for public benefit.

There's nothing better than a beautiful spring afternoon along the river with friends and the excitement of the Kentucky Derby. And 2026 will be a special year, as Andalusia celebrates our nation's 250<sup>th</sup> with a series of exhibitions and programs.

I hope you'll join the festivities as a sponsor!

John Vick, Executive Director

# Why Support Andalusia?

Since 1980, the non-profit Andalusia Foundation has maintained and preserved this National Historic Landmark for public benefit. It interprets the site's historic buildings, art, and archives through tours and programs, while also managing formal gardens, natural open space, and a collection of over 1,000 trees.

Every year, thousands of visitors to Andalusia discover this stately property, with preserved native woodlands and spectacular gardens that evoke the English romantic landscape tradition. They stroll the picturesque site, take in sweeping views of the Delaware River, and explore the historic 1797 mansion. Help us keep this rare experience vibrant and thriving for generations to come.
